

Circular Saw

5007N

1 800 W • 5 800 min⁻¹ • 185 mm

Powerful circular saw for the pro-users

Powerful 1 800 W motor for proven performance and jobsite durability. Makita engineered ease-of-use features into this saw with large and easy-to-read markings on the depth and bevel scales. The large cam levers are designed for easy and fast bevel and depth settings, with convenient lever placement for easy depth adjustment changes.
