

Air Compressor XGT®

- AC001G

40Vmax, 7.6 L

Cordless air compressor powered by 40Vmax XGT Li-lon battery

AC001G is a portable air station for regular pressure tools that is offering an excellent combination of high air flow and lightweight design. This tool is specifically developed for interior nailing applications such as finish nailing with 18-gauge nails.

SPECIFICATIONS

Nominal Battery Voltage Voltage XGT

Voltage XGT
No load speed
Tool weight with battery (EPTA)
Product Dimensions (L x W x H):
Performance
Operating pressure
Air Tank Capacity

40 V Yes 2075 min?¹ 11.6 - 12.8 kg 302 x 434 x 382 mm 34 (6 bar) L/min 7.2 - 9.3 bar 7.6 L

USER BENEFITS

- Developed mainly for interior nailing applications such as finish nailing with 18Ga nail
- Low noise level, yet with excellent combination of high air flow and lightweight design
- Battery protection system automatically shuts off power when the battery level is low
- Low noise level, yet with excellent combination of high air flow and lightweight design
- Brushless motor
- Tank capacity: 7.6 L
