

Battery XGT® 8,0 Ah, Li-ion, 40Vmax, BL4080F

11379

Product Description

Li-ion • 40V max • 8,0 Ah • BL4080F

4,0 Ah Li-Ion battery with a charge level indicator. Powerful general-use battery for 40V max Makita XGT tools. Ideal for tools with a high power consumption. Charge time approx. 76 min. with a rapid charger.

Product Features

- Battery fuel gauge: 4-LED gauge (green), with a check button
- Screw construction allows for easy disassembly for recycling
- Drastically increased water and drop impact resistance compared with that of LXT Li-Ion batteries
- Battery level indicator
- Digital communication between tool and battery
- Cooling system for maximum battery life
- Thanks to the tool-battery communication, in which tool and battery data such as their specifications and status are exchanged, the potential extraction rate of XGT Li-Ion battery is higher than that of LXT Li-Ion battery
- More detailed information on usage history
- Developed for products frequently used for continuous operations
