

Fan Vest LXT®

DFV210ZL

14,4V / 18V • L

Cooling vest with two fans and three speeds. (Size: Large)

This cooling fan vest, powered by an LXT battery, offers added comfort in hot conditions. The vest's water-repellent and washable material makes it comfortable to wear. The vest has two fans and three air flow speeds. Run time with an 18V LXT 5.0Ah battery is about 13 h at the highest setting. Holder, Battery and charger not included.
