

DML812Z

18V • 71 000 lx

Handy sized and efficient flashlight

Light for 14.4V and 18V LXT batteries with four power settings. It works great as a general light and is a great tool for illuminating dark objects on the job site or providing extra lighting for high-precision work. The luminaire head can be folded 90°. Tool only, battery and charger not included.
