

Prunning Shears LXT®

DUP362Z

18V+18V • 33 mm

Powerful and fast tool for cutting branches

Powerful and fast pruning shears for up to 33mm diameter branches are great for precision work. Two 18V LXT batteries deliver 18V+18V power and performance. The batteries are conveniently in a harness, freeing both hands to operate the tool. The harness also contains a handy pocket for the shears. Up to 60 000 cuts with a single charge (4.0Ah). Tool only, battery and charger not included.
