| VOLTAGE LXT                      | Yes                                      |
| CUTTER                           | Yes                                      |

### USER BENEFITS

- 36V performance from two 18V batteries connected in series. The batteries are placed in parallel in separate battery docking stations.
- Battery protection system with indicator light. Automatically shuts off power when battery power is low.
- Brushless maintenance-free and long-life motor
- Sturdy, adjustable handle.
