## **USER BENEFITS**

- Active Feedback sensing Technology (AFT) stops the engine if the rotation suddenly stops
- Anti-restart function prevents accidental start-up
- Brushless maintenance-free and long-life motor
- Safe working thanks to high speed blade brake
- Slim body design for a good grip.
- Soft start for smooth start-ups
- XPT (Extreme Protection Technology) is engineered for improved dust and water resistance for operation in harsh job site conditions
