Max Cutting Branch Diameter	25 mm
Angle adjustable Hedge Trimmer Head	6 Steps / 45° tilt-up to 70° down
Dimensions (L x W x H)	2,268 x 100 x 148 mm (with BL4040)
Net weight	4.0 kg (without battery)

USER BENEFITS

- **Motor:** Features a high-performance brushless motor that delivers up to 4,000 strokes per minute for an efficient and clean cut.
- **Speed control:** A three-stage speed control allows the operator to adjust the cutting speed to the application. It also has a reverse function to free the blade if it gets jammed.
- **Blade and head:** The 600mm (24-inch) double-sided blade is adjustable with a one-touch angle adjustment that can be locked into six positions. This feature allows for flexibility when trimming different angles.
- **Reach:** With an overall length of 2.2m (7 feet, 2 inches), the trimmer provides extra reach for cutting high branches.
- **Safety features:** Includes an electric brake that stops the blade within a few seconds and an auto power-off function if the tool is left unused.
- **Weather resistance:** It is compatible with XPT (eXtreme Protection Technology) and rated IPX4 for improved dust and water resistance.
